

## LOAN SPOTLIGHT

**Summary:** Borrower sought cash out and longer fixed term loan on a stable income producing property that was undergoing its final round of interior renovations. Since assuming ownership, the borrower has upgraded the interiors of 85% of the units and significantly raised rents. We were able to successfully arrange a 7 year fixed loan with an interest only component for the first 3 years to assist with the continued capital improvement costs, and negotiated maximum cash out proceeds to reimburse the borrower for capital expenses incurred over the past 2 years and leave him with significant cash reserves that he planned to set aside for future investment in real estate. No tax returns were required as part of this refinance and the loan funded within 60 days of application.
